Coroner W. H. Ragan.

Let every man do his duty.  
See that every Democratic  
voter is properly registered  
in the proper township and  
deposits his ballot, and the  
cause of good government is  
in no danger.

Let the good work go on.  
It is now understood that  
the radicals are moving heav-  
en and earth to hold Massa-  
chusetts and Illinois in the  
Radical column. The tribes  
of Benjamin and Levi are lost.

Democrats of Watauga lock  
your shields like the Macedo-  
nian columns until sundown  
of Nov. 6th., and victory is  
ours. See that every Demo-  
crat is registered before the  
day of election as no man can  
register on that day.

David F. Baird cannot be  
beaten for sheriff by slander,  
he is too well known in Wa-  
tauga; the people remember  
his kindness and will elect  
him by a majority that will  
surprise the auctioneer of  
the people's land.

President Cleveland has  
shown himself to be the  
friend of the farmer and la-  
borer, and multiplied thou-  
sands of them are flocking to  
his standard from the sink-  
ing ship of the republican  
party in Watauga.

Has there been a better set  
of men presented in any  
election than the democrats  
of this county?

of Watauga, for the county  
office. We think not, and  
the people will triumphantly  
elect them on the 6th. of Nov.  
So it is written.

R. A. Doughton, candidate  
for Representative in Alle-  
ghany, as far as we know  
has no opponent. The cause  
of good government and the  
white man's party is safe in  
his hands. He is an able,  
fearless and patriotic defend-  
er of the people's rights.

Mr. W. S. Farthing is far  
exceeding the expectations of  
his friends, in the very able  
campaign he is making. His  
speeches are of a high order  
and he is making an able pa-  
triotic and manly Standard-  
bearer, and will be elected  
over "Hungry Ike" by 400  
majority, when the people  
speak.

Capt. J. W. Todd is mak-  
ing a great canvass in Ashe.  
He is an able legislator, and  
there is no better man in the  
state, nor one who will watch  
the interest of the people  
more closely in the Legisla-  
ture. The people of Ashe Co.  
could not afford to defeat  
such a man. Democrats of  
Ashe, stand to your guns and  
victory is yours.

We once had a Sheriff in  
Watauga County who never  
sold any land for taxes. who  
was good to the people, who  
bore with them in their ad-  
versities and himself bore  
their burdens. That Sheriff  
was David F. Baird, how we  
need a Sheriff now? The peo-  
ple are thinking.

The news from all parts of  
the United States, is glorious  
for old Grover. Illinois,  
Michigan, Wisconsin, Minne-  
sota and California are now  
claimed by the democrats.  
It now looks like a cyclone  
would strike Benjamin and  
Levi on the 6th. day of Nov.

When the democrats came  
into power in North Carolina  
your state debt was 41 mil-  
lions of dollars and your tax-  
es were 80 cents on the \$100  
worth of property; it is now  
less than 4 millions and your  
taxes are only 40 cent, vot-  
ers of the mountains is it  
safe to change? You will  
answer No on the 6th of Nov.

If the Blair bill is a repub-  
lican measure as the Ed. of  
the Enterprise claims why  
did not the republicans pass  
it in 1880 and 81 when they  
had the House, the Senate  
and the President.

If its a republican measure  
why did Zeb Vance and Mat  
Ransom vote for it?

If its a republican measure  
why did Benjamin Harrison  
vote against it?

If its a republican measure  
why did Joseph R. Hawley—  
a leading republican in U. S.  
Senate—speak and vote  
against it?

We see in the Enterprise a  
certificate from certain citi-  
zens of Caldwell county that  
one J. A. Crisp who recently  
moved into this county from  
Caldwell is actually a repub-  
lican. Now we fail to see the  
need of a certificate to estab-  
lish that fact for we all know  
he has been here long enough  
to vote in one election before  
this and it is understood he  
voted the republican ticket.  
It is not supposed that the  
three bosses of the republican  
party in Watauga would  
have but forward any but  
a good republican but to  
make the matter perfectly  
clear probably it was best to

have a certificate, as some  
people are very curious a-  
bout such matters. He ad-  
mitted however that he voted  
for Tilden in 1876. There  
are leading men in the repub-  
lican party that would not  
have had to procure a certi-  
ficate to prove they were re-  
publicans.

These men can get togeth-  
er and send out orders and  
have a man nominated for  
an office, but it takes some  
more to elect him. Pat had  
you heard that.

Grover Cleveland is now  
engaged in a mighty struggle  
in behalf of the people, and  
against the money power  
and monopolist; will the peo-  
ple of North Carolina help  
him, or will they sharpen a  
dagger to pierce their own  
breast by voting for Chinese  
Harrison and money-bags  
Morton? We shall see.

LET IT BE REMEMBERED—  
Levi P. Morton, Radical can-  
didate for Vice President, has  
sued the State of North Car-  
olina for \$30,000,000 of  
bonds, which he bought after  
he knew they were fraudulent  
for about 5 or 6 cents on the  
dollar. He is now spending  
thousands and thousands of  
dollars to carry this State  
republican so that his debt  
may be assumed by a repub-  
lican Legislature and repub-  
lican Supreme Court. In the  
face of these facts can the  
good people of Watauga vote  
the Republican ticket? "To  
your tents, O Israel! now see  
to thine own house."

DEMOCRATS TO THE FRONT.  
VICTORY IN THE AIR.

Cleveland and Thurman  
will be elected by an increased  
majority New York, Indiana,  
Conn. New Jersey and the  
solid South all democratic,  
with a chance for Illinois,  
Wisconsin, Minnesota, Iowa  
and California. The Rep.  
National Com. are becom-  
ing desperate in New York.

The republicans are aban-  
doning the sinking ship.  
thousands of them are com-  
ing over to Cleveland and  
Tariff reform and will help  
to make democratic victory  
more complete. The Rep.  
Com. have abandoned Indi-  
ana and New Jersey as to  
the Electoral ticket. They  
are fighting desperately to  
hold Illinois, Wisconsin, Min-  
nesota and Iowa, lightning  
has struck those hitherto  
Rep States. The farmers of  
those states say they have  
had enough of high tax call-  
ed the protective Tariff.  
Three cheers for Ill. Wiscon-  
sin and Iowa and the hon-  
est republicans who say give  
us low tariff Cleveland and  
Thurman. Democrats and  
Republicans come to the  
front let us all stand for low  
taxes and honest govern-  
ment.

President Cleveland has  
shown himself to be the friend  
of the farmer and laborer,  
and multiplied thousands of  
them are flocking to his stan-  
dard from the republican  
sinking ship all over the  
North and West.

Oliver Dockery voted for a  
negro lawyer for the Legisla-  
ture in his county in 1884  
against a white farmer, and  
when charged with it admit-  
ted it, but said afterwards  
that the grandmammy of the  
man the democrats were run-  
ning was as black as a crow;  
it's not true and he knows it.  
Honorable, decent, fair-mind-  
ed, truth-loving white men,  
can you vote for a man who  
slanders both the living and  
the dead.
